

Resurrection Communications is a representative for **MURPHY ROBES**, one of the most respected choir and pulpit robe manufacturers in the country. If you are considering a purchase of robes in the next year or two, I would be happy to have my salesman, **Bill Kenney**, contact you. He can provide you with current catalogs and price lists.

Bill will travel to your church to measure you and/or your choir, show fabric samples, present the more than 40 styles and make sure that every detail of this often complicated purchase is handled accurately and professionally. Robes usually take 6 weeks to be delivered so ordering well ahead of your next special event is important in order to assure everyone's satisfaction.

(Murphy also offers 3 day service on a limited number of robes and sizes which are called their "Quick Ship" styles if you are in a hurry.)

We would love to work with you.

Call (612) 269-1706 or toll free (888) 809-0267
